

# Drill & Brad Point Center Drills

Provides longer tool life and wear over carbon steel. Shank diameter is the same as the cutting diameter. Used with counterbore and countersink tools.

## 4-1/2" Long - High Speed Steel - Straight Shank Brad Point

Part No.	Cutting Diameter	Twist Length	Overall Length	Shank Size
BH126	1/8	2-1/4	4-1/2	1/8
